I grew up in Panguitch and moved to St. George in 1972 where my wife, JoAnn, and I raised our 4 sons and now enjoy our 10 grandkids. After receiving my degree from LDS Business College, I worked in the banking industry before later going into the trucking business. I started DATS Trucking in 1988, which has grown to a network of 16 service centers in 5 states.

Due to my work in the trucking industry, I became involved with the Dixie Applied Technology College. I believe the ATC system is an important part of our education offerings and have worked to support them; serving as the past-chairman of the Utah Applied Technology Center board and as a trustee.

I was elected to the Legislature in 2008 and am completing my first term. It has been an honor and a privilege to serve the people of Washington County. My assignment on the House Education Committee has allowed me to continue supporting technical education and Dixie State
